CHANGING TIDE

LIVING A COUNTER CULTURE LIFE

Conference

Hosted by Surf Church Vällersvik
Sweden

APRIL | 17 - 19TH | 2026

Cost: | 130 Euros

Includes Food and Accommodation

This is an invite-only gathering for key European leaders — a space to discern the changing tide in our world and explore how God is moving across the surf community. As culture shifts fast, we believe the future of mission demands leaders who live differently, plant differently, and follow Jesus with a counter-culture courage. “Changing Tide” is an opportunity to listen, learn, and seek God together for what comes next.
